

MATILDE PILERI

Master's Degree student in Philosophical Sciences and agricultural entrepreneur passionate about copywriting, written communication and sustainability.

Curious, sensitive, and empathetic, I have a strong sense of civic responsibility and a deep inclination for thoughtful reflection. I enjoy debating, writing, and exploring conceptual challenges, engaging with others thoughtfully and with an open mind. I enjoy being in contact with people, and my experience has taught me the importance of attention to detail, flexibility and learning from every interaction.

I look forward to contributing to a dynamic environment where I can further develop my skills, bridging complex ideas with real-world challenges.
